

RE-OPENING GUIDELINES

for the STATE OF MONTANA

INDIVIDUALS

- Vulnerable people should continue to follow the stay home guidelines.
- All people should maximize physical distance when in public.
- Avoid gatherings of more than 10 people unless physical distance can be maintained.

EMPLOYERS

- Encourage telework when possible and feasible.
- Close common areas and enforce strict physical distancing protocols.
- Minimize non-essential business travel.
- Make special accommodations for vulnerable members of the population.

SENIOR LIVING/ASSISTED LIVING

- Prohibit visitors. Those who do not interact with residents/patients must adhere to screening hygiene requirements.

CHILDCARE FACILITIES

- Remain operational but must adhere to state and local guidelines on operational levels and occupancy.

FOOD & BEVERAGE

- Includes restaurants, bars, breweries, distilleries and casinos.
- Can become operational on or after May 4, 2020.
- Must follow strict physical distancing including operations at 50% capacity, limiting to 6 people per table or less and closing at or before 11:30PM.

MAIN STREET BUSINESSES

- Includes retail and professional services like personal care (salons), finance, architects/engineers, etc.
- May become operational on or after April 27, 2020.
- Must reduce capacity and adhere to strict physical distancing guidelines

OUTDOOR RECREATION

- Can become operational as long as strict physical distancing and frequent sanitation protocols are followed. Includes fishing access and parks.
- Campgrounds and group-use facilities remain closed.

PLACES OF WORSHIP

- May become operational on or after April 26, 2020 with reduced capacity, strict physical distancing and gatherings limited to 10 people or less.

MUST REMAIN CLOSED

- Gyms
- Pools/Hot tubs
- Other places of assembly: movie and performance theaters, concert halls, bowling alleys, bingo halls, music halls, etc.
